

# MY6 EYESHIELD

## ADAPTABILITY & PERFORMANCE

Experience unmatched performance with MY6, the ultimate ballistic eyeshield designed for mission-critical scenarios. Crafted with precision, it integrates advanced features to enhance your performance and ensure optimal visual clarity, comfort and style. Our exclusive PLATINUM technology guarantees a clear line of sight, even in challenging environments, while its superior ballistic impact resistance allows MY6 to withstand even the most extreme situations. Tailor your eyeshield to your preferences with our diverse range of CSP lens tint options, empowering you to make precise decisions with unwavering confidence. MY6 offers a secure and comfortable fit, enabling agile and assured movements during any operation. While your team relies on you to watch their backs, trust us to safeguard your eyes every step of the way.

## CLEANING &amp; STORAGE

**CLEANING:** The lenses should be cleaned regularly. Bollé Safety recommends only using the B-clean lens cleaning system.

**MAINTENANCE:** Pitted, scratched or damaged lenses must be replaced by replacing the complete product. If the frame is damaged also replace the complete product. After each use it is recommended to keep the glasses or goggles in a microfiber pouch or rigid case.

**STORAGE:** All products must be stored in a dry and clean environment.
