

X1000

RESISTANCE & COMFORT

The X1000, our iconic ballistic goggles, are designed to meet all your needs. Its interchangeable CSP lenses options, each featuring our exclusive PLATINUM anti-fog and anti-scratch coating, are suited for various tactical scenarios. Compatible with all military equipments, it guarantees comfort, stability, and reliable protection, even during extended missions. With a matte black vented or sealed frame, the goggles are available as a military kit or a single unit system. The X1000 is the optimal choice for operators seeking maximum performance in extreme situations or challenging environments.

SUPPLIED WITH : KIT (Box, case, microfiber pouch, user instruction)

CLEANING & STORAGE

CLEANING: The lenses should be cleaned regularly. Bollé Safety recommends only using the B-clean lens cleaning system.

MAINTENANCE: Pitted, scratched or damaged lenses must be replaced by replacing the complete product. If the frame is damaged also replace the complete product. After each use it is recommended to keep the spectacles or goggles in a microfibre pouch or rigid case.

STORAGE: All products must be stored in a dry and clean environment.
