

GLOBE

SIMPLE AND EFFECTIVE

Globe guarantees optimum protection thanks to its exceptional field of vision. Available in several versions, the product is an essential solution for any company looking for an ultra-protective, simple & effective goggle. Its lightly translucent frame offers a better perception of the environment, without glare, for optimal vision. Its design offers the possibility to improve the recyclability of the product at the end of its life, by quickly separating the materials from each other to aid the sorting of the untreated parts.

CLEANING & STORAGE

CLEANING: The lenses should be cleaned regularly. Bollé Safety recommends only using the B-clean lens cleaning system.

MAINTENANCE: Pitted, scratched or damaged lenses must be replaced by replacing the complete product. If the frame is damaged also replace the complete product. After each use it is recommended to keep the glasses or goggles in a microfiber pouch or rigid case.

STORAGE: All products must be stored in a dry and clean environment.
