

ULTIM8

PROTECTION AND RESISTANCE

The most advanced protection for extreme work environments (cold, hot, dusty and humid environments in oil and gas Industries or mining). No matter what environment you're in, the Ultim8 provides advanced eye protection you can depend on. More than a goggle, much more than glasses, the Ultim8 sets the new standard for performance, comfort and protection.

2.26 oz

CLEANING & STORAGE

CLEANING: The lenses should be cleaned regularly. Bollé Safety recommends only using the B-clean lens cleaning system.

MAINTENANCE: Pitted, scratched or damaged lenses must be replaced by replacing the complete product. If the frame is damaged also replace the complete product. After each use it is recommended to keep the glasses or goggles in a microfiber pouch or rigid case.

STORAGE: All products must be stored in a dry and clean environment.
